Appointments conducted at home, preschool or school will incur an additional travel fee – please contact for a quote.

Assessments may be divided across two appointments depending on the age and concentration levels of the child.

NDIS fees – Please note, the above fees are for private paying clients. NDIS funded clients will be charged the hourly rate set by the NDIS schedule (currently \$193.99 per hour).

Rebates

Some children are eligible for a Medicare rebate through the Chronic Disease Management program. Access to these programs is through your child's GP or Paediatrician. Some private health insurance "extras" packages will provide a refund for speech pathology services, please check with your provider as to whether your policy covers speech pathology services.
